Advice Letter 6-E (U 933-E)

Public Utilities Commission of the State of California Attn: Energy Division, 4<sup>th</sup> Floor 505 Van Ness Avenue San Francisco, CA 94102-3298

Subject: Revised CalPeco Sample Forms No. 98-2100 and No. 98-2200 and New CalPeco Forms No. 98-2150; No. 11-0400; No. 11-0500; No. 11-0600; No. 11-0700; No. 11-0710; No. 11-0720; No. 11-0750; No. 11-0770; No. 11-0800; No. 11-0900

California Pacific Electric Company, LLC (U 933-E) ("CalPeco")<sup>1</sup> hereby submits for filing revisions to its electric tariffs to revise two sample forms and include twelve new sample forms. The affected tariff sheets are enclosed as Attachment 1.

#### **Background**

On October 28, 2010, the Commission issued D.10-10-017, which approved Sierra's transfer to CalPeco of the California electric distribution facilities and the Kings Beach Generating Station that Sierra had previously owned and operated. The transfer from Sierra to CalPeco was completed effective January 1, 2011. As of that date, CalPeco began operations as the utility with responsibility for serving the electric customers within Sierra's former California service territory.

As part of the transition, CalPeco will periodically update a number of Sierra's sample forms and introduce new sample forms to conform with CalPeco's operations. This advice letter represents the second set of updated forms submitted.

#### **Revised Forms**

Form No. 98-2100 is CalPeco's form California Alternative Rates for Energy (CARE) Application that provides eligible customers with a monthly discount on their electric service. This form has been updated and revised to include an information sheet regarding eligibility for the program.

Form No. 98-2200 is CalPeco's form CARE Expanded Care for Group Living Facilities Application that provides a 20% low-income discount for qualified nonprofit group-living facilities. This form has been updated with new phone numbers to call for assistance.

<sup>&</sup>lt;sup>1</sup> CalPeco also does business in California as "Liberty Energy - California Pacific Electric Company."

#### **New Forms**

Form No. 98-2150 is the Spanish language version of Form No. 98-2100 described above.

Form No. 11-0400 is CalPeco's Property Owner/Manager Standing Order Request, which allows a property owner to inform CalPeco of their status as the landlord or owner of a property for which a tenant has sought utility service.

Form No. 11-0500 is CalPeco's Declaration of Eligibility for Permanent Residential Baseline Rates, which allows an individual to receive a Permanent Residential Baseline Allowance for a permanent, full time, primary residence of an applicant.

Form No. 11-0600 is CalPeco's Outdoor Lighting Service Application, which allows an applicant to receive service to their high pressure sodium outdoor lights located on their property.

Form No. 11-0700 is CalPeco's Application for Medical Baseline Enrollment and Recertification. Forms No. 11-0710 and No. 11-0720 are the accompanying self-certification and medical release authorization forms. Forms No. 11-0750 and No. 11-0770 are the Spanish language versions of forms No. 11-0700 and 11-0720. CalPeco expects to add a Spanish language version of the self-certification at a later date.

Form No. 11-0800 is CalPeco's Surety Bond/Bill Guaranty, which allows an applicant to receive electrical service without providing a cash deposit.

Form No. 11-0900 is CalPeco's Commercial Utility Service Application, which allows an applicant to apply for utility service as a commercial entity.

This filing will not affect any other rates or charges, cause the withdrawal of service, or conflict with any other rate schedule or rule.
