**Subject: Revision to California Pacific Electric Company, LLC (U 933-E)  
Schedule No. TOU D-1 (Time-of-Use Domestic Service) modifying the  
Daily Time Periods to coincide with the Baseline Periods.**

This letter sets forth the request by California Pacific Electric Company, LLC (U 933-E)) (“CalPeco”)<sup>1</sup> for approval by the California Public Utilities Commission (“Commission”) I to revise its Schedule No. TOU D-1 (Time-of-Use Domestic Service). The requested revision would modify the Daily Time Periods to coincide with the Baseline Periods.

**Background**

Currently, CalPeco’s Daily Time Periods per Schedule No. TOU D-1 (Time-of-Use Domestic Service) do not coincide with the Baseline Periods. CalPeco is requesting that Schedule No. TOU D-1 be modified to enable the two periods to coincide and thus consolidate rate changes in its billing system.

**Proposed Changes**

CalPeco seeks approval to revise its Schedule No. TOU D-1 (Time-of-Use Domestic Service) modifying the Daily Time Periods to coincide with its Baseline Periods.

<sup>1</sup> CalPeco also does business in California as “Liberty Energy - California Pacific Electric Company.”
