Subject: Change in Name of California Pacific Electric Company, LLC to Liberty Utilities (CalPeco Electric) LLC and Notice of Corporate Changes

Pursuant to General Order 96-B, California Pacific Electric Company, LLC (U-933-E) ("CalPeco") submits this notification of a change in the name of California Pacific Electric Company, LLC to Liberty Utilities (CalPeco Electric) LLC ("Liberty") and of the deletion of two intermediate entities currently existing between itself and Algonquin Power & Utilities Corp. ("Algonquin"), CalPeco's ultimate parent.¹

Background

Algonquin is making certain changes in the corporations upstream of CalPeco for the purpose of simplifying and flattening the organizational structure. The changes are the deletion of two entities, California Pacific Utility Ventures, LLC ("CPUV"), the current direct parent of CalPeco, and CPUV's parent, Liberty Energy Utilities Co. ("LEUC"). The removal of CPUV and LEUC will be accomplished first by CPUV merging into LEUC and then LEUC merging into its parent Liberty Utilities Co. With the deletion of these two intermediate companies CalPeco will be directly owned by Liberty Utilities Co., a wholly owned indirect subsidiary of Algonquin.

The deletion of CPUV and LEUC will not cause any acquisition of, or change of control of, CalPeco, directly or indirectly. Management of CalPeco will not change in any manner. Neither CPUV nor LEUC provide any services to CalPeco. The elimination of these entities will have no impact on any aspect of the operations of the utility. The removal of these two intermediate entities will not cause any change in the rates, terms or conditions of service for CalPeco's

¹ The Commission authorized Algonquin and Emera, Inc. to acquire CalPeco in Decision 10-10-017. In Decision 12-06-005, the Commission authorized Algonquin to become the sole owner of CalPeco.

customers. Thus CalPeco's customers will not be affected in any way by the elimination of these two Algonquin intermediate subsidiaries.

Additionally, CalPeco and its ultimate parent Algonquin remain obligated to comply fully with the Regulatory Commitments set forth in Appendix 3 of Decision 10-10-017. Neither the Regulatory Commitments nor CalPeco's or Algonquin's corresponding obligations will change in any way as a result of the deletion of the two intermediate companies.

Name Change

California Pacific Electric Company, LLC is the formal name of the utility which holds the franchise to provide electric service to the service area within California previously served by Sierra Pacific Power Company.² The Commission has assigned the utility number designation U-933 to CalPeco.³ In addition to its use of the name CalPeco for Commission and other formal proceedings, CalPeco has also operated and is generally known within its California service territory under the "dba" ("doing business as") Liberty Utilities – California Pacific Electric Company.

In conjunction with its simplification of its corporate organization, Algonquin believes it is appropriate to formally cease using the unique name California Pacific Electric Company, LLC. Algonquin operates a variety of utilities across the United States providing water, sewer, electric and natural gas services. Algonquin intends that each of these operating utilities have "Liberty Utilities" as part of its name and accordingly is changing the name of its California-jurisdictional utility to Liberty Utilities (CalPeco Electric) LLC.

CalPeco is also submitting the necessary documents with the California Secretary of State to effectuate the name change. It has requested that the Secretary of State allow the name change to become effective as of July 15, 2013. CalPeco is also submitting with this advice letter revised tariffs reflecting the change in name to Liberty Utilities (CalPeco Electric) LLC throughout its tariffs.

Relief Requested

CalPeco requests that as of the effective date requested below that it be:

1. Authorized to change the name of the utility providing electric service within its franchised service territory from California Pacific Electric Company, LLC to Liberty Utilities (CalPeco Electric) LLC;
2. Authorized to transfer the Commission utility number designation of U-933 from CalPeco to Liberty Utilities (CalPeco Electric) LLC; and
3. Have accepted under General Order 96-B, Section 5.1(2) revised tariffs reflecting non-substantive editorial changes to the text of the tariffs that effectuate the change of name

² See Decision 10-10-017, Ordering Paragraph 1.

³ See Decision 11-02-015, Ordering Paragraph 1(d).

to Liberty Utilities (CalPeco Electric) LLC and that do not affect a rate, charge, term, or condition under the tariff.
