**Revision to Advice Letter 34-E
(U 933-E)**

Subject: Substitute Sheet – Liberty Utilities Advice Letter 34-E

In response to a request by Energy Division, Liberty Utilities (CalPeco Electric) LLC (U 933-E) (“Liberty Utilities”) submits the following substitute sheet to the tariff sheet it submitted with Liberty Utilities Advice Letter 34-E. In Advice Letter 34-E, Liberty requested California Public Utilities Commission (“Commission”) approval to revise its tariffs to update the income eligibility for the California Alternate Rate for Energy (“CARE”) Program and the Energy Savings Assistance Program (“ESAP”). The revised tariff sheet is enclosed as Attachment 1.

Proposed Changes

The clean version of Liberty Utilities Tariff Sheet No. 87 included as Attachment A to Advice Letter 34-E inadvertently contained a typographical error with regard to the Total Annual Gross Income limit for a household of 6 persons. The attached tariff sheet has the correct figure and is the same as the figure that was contained in the redlined version of Liberty Utilities Tariff Sheet No. 87 that was also included in Attachment A to Advice Letter 34-E.

Effective Date

Liberty Utilities continues to request that this Tier 1 advice filing become effective June 1, 2014.

Consistent with General Order 96-B, Sections 4.3 and 7.5.1, a copy of this letter and substitute sheet is being sent electronically and via U.S. mail to parties shown on the attached list.

If additional information is required, please do not hesitate to contact me.

Sincerely,

/s/
