Subject: Annual Base Revenue Requirement Balancing Account Disposition

Dear Mr. Randolph,

The purpose of this letter is to inform the California Public Utilities Commission (“Commission”) that Liberty Utilities (CalPeco Electric) LLC (U 933-E) (“Liberty Utilities”) will not be seeking approval for disposition of the balance in its Base Revenue Requirement Balancing Account (“BRRBA”) as of September 30, 2014 by Tier 2 Advice Letter this year.

Background

Pursuant to Section 8.H of the Preliminary Statement of its Tariff, Liberty Utilities is required to submit a Tier 2 Advice Letter filing by October 31, 2014 with the disposition of the BRRBA balance as of September 30, 2014, if the over- or under-collection amortized amount is +/- 5% of the approved Base Rate Revenue Requirement.

Analysis

Liberty Utilities will not seek this year to dispose of the BRRBA balance as of September 30, 2014 as the amount of the balance is only 1.6% of its Base Rate Revenue Requirement.

Accordingly, as the undercollection is within the 5% threshold, Liberty Utilities will not be seeking approval for disposition of the BRRBA balance this year.

Sincerely,

_____/s/_____
