RE: Notice to update the income guidelines to Investor Owned and Small Multi-Jurisdictional Utilities providing services under the California Alternative Rates for Energy (CARE), Family Electric Rate Assistance (FERA) and Energy Savings Assistance (ESA) programs. to update the income guidelines

Dear representatives from Investor Owned and Small Multi-Jurisdictional Utilities,

Energy Division is issuing this notice to update the income guidelines for the CARE, ESA, and FERA Programs in compliance with Decision (D) 12-08-044.¹ The utilities are requested to file revised tariffs with the Energy Division reflecting the income levels specified below by May 1, 2020.

CARE and ESA Program Income Guideline Updates:

The 2020-2021 CARE and ESA Programs' income limits have been updated in compliance with Public Utilities ("P.U.") Code Section 739.1 (a).² Federal Poverty Guideline values and corresponding household size are used to determine the revised annual CARE and ESA Programs' income limits.³

¹D.12-08-044. Ordering Paragraph 119.

²PU Code Section 739.1(a)states: The commission shall continue a program of assistance to low-income electric and gas customers with annual household incomes that are no greater than 200 percent of the federal poverty guideline levels, the cost of which shall not be borne solely by any single class of customer.

³The Commission transitioned to this approach because the methodology it used previously, pursuant to Resolution E-3524, which was adopted in February 1998 did not align with the requirements of P.U. Code Section 739.1 (b)(1).

The 2020-2021 income limits for CARE and ESA are provided below for household sizes of 1-8 persons.

Effective June 1, 2020 to May 31, 2021, CARE and ESA Programs' income limits are as follows:

Table 1: CARE & ESA Income Guidelines

Household Size	Income Eligibility Upper Limit *
1-2	\$34,480
3	\$43,440
4	\$52,400
5	\$61,360
6	\$70,320
7	\$79,280
8	\$88,240
Each Additional Person	\$8,960
*Upper Limit Calculation = 200% of Federal Poverty Guidelines	

Family Electric Rate Assistance (FERA) Program Updates;

The Commission authorized FERA, also known as the Lower Middle Income Large Household Program, in D.04-02-057 on February 26, 2004. In that decision, the Commission stated that the use of CARE procedures for annual income guideline updates are also reasonable for the FERA program.⁴ P.U. Code Section 739.1 (5)(e)(2) requires a single application form for CARE and FERA to enable applicants to apply for the appropriate assistance program based on their economic need. D.05-10-044, dated October 27, 2005, raised the lower income limits of the FERA program to 200%+\$1 of the Federal Poverty Guideline levels, which correspond to the upper limits of the CARE program.

Effective June 1, 2020 to May 31, 2021, FERA income limits are as follows:

Table 2: FERA Income Guidelines

Household Size	Income Eligibility Lower Limit *	Income Eligibility Upper Limit **
3	\$43,441	\$54,300
4	\$52,401	\$65,500
5	\$61,361	\$76,700
6	\$70,321	\$87,900
7	\$79,281	\$99,100
8	\$88,241	\$110,300
Each Additional Person	\$8,960	\$11,200
*Lower Limit Calculation = 200% of Federal Poverty Guidelines (CARE/ ESA) + \$1		
** Upper Limit Calculation = 250% of Federal Poverty Guidelines ⁵		

⁴D.04-02-057. Finding of Fact 22.

⁵ D.04-02-057. Page 2.

Note: The income limits established herein are effective from June 1, 2020 until May 31, 2021 for all new FERA, CARE, and ESA Programs' enrollments as well as CARE post enrollment verifications, and re-certifications. The existing list of categorical eligible programs IOU CARE enrollment is retained. The Director of the Energy Division will continue to communicate new income levels annually and require energy utilities to file revised tariffs effective June 1st of each year.

The utilities are requested to file revised tariffs with the Energy Division reflecting the income levels specified above by May 1, 2020. Only the revised tariff sheets are required to be filed, however, please ensure that all tariffs, internet sites and printed materials about the CARE, FERA and/or ESA programs display the current income eligibility guidelines and their effective dates, up through a household of eight, as shown in the above tables. All tariffs, internet sites and printed materials about the CARE program should also indicate that unacceptable energy usage levels could result in removal from the program.⁶

If you have any questions regarding this notice, please contact Gillian Weaver at (213) 266-4740 or by e-mail at gillian.weaver@cpuc.ca.gov.

Sincerely,
