Subject: Liberty Utilities (CalPeco Electric) LLC (U-933 E) -- Revised Liberty CalPeco Surcharge to Fund PUC Utilities Reimbursement Account ("PUCURA")

Liberty Utilities (CalPeco Electric) LLC (U 933-E) ("Liberty CalPeco") submits this **Tier 1** Advice Letter to revise its associated tariff. This Advice Letter has been authorized pursuant to Resolution M-4839, issued January 10, 2019 by the California Public Utilities Commission ("Commission"). Resolution M-4839 increases the PUCURA user fee for all customer classes as of April 1, 2019 from the current rate of \$0.00046/kWh to \$0.00058/kWh.

A redline and clean version of the impacted tariff sheet is included in Attachment A and B.

Background

The Commission uses the Public Utilities Code as the basis for its methodology to annually assess user fees for energy, water and telecommunication utilities.

Public Utilities Code Section 431 states:

The commission shall annually determine a fee to be paid by every electrical, gas, telephone, telegraph, water, sewer system, and heat corporation and every other public utility providing service directly to customers and subscribers and subject to the jurisdiction of the commission other than a railroad, except as provided in Article 2 (commencing with Section 421). The annual fee shall be established to produce a total amount equal to that amount established in the authorized Commission budget for the same year, including adjustments for increases in employee compensation, other increases appropriated by the Legislature, and an appropriate reserve to regulate public utilities less the amount to be paid from special accounts or funds pursuant to section 402, reimbursements, federal funds, and any other revenues, and the amount of unencumbered funds from the preceding year.

Liberty CalPeco requests that this Tier 1 advice filing become effective **April 1, 2019**.
