

CA Proposition 65 Warning

Liberty Utilities uses natural gas and petroleum products, solvents and other chemicals in our operations. We also use wooden utility poles treated with wood preservatives. Petroleum products and their combustion by-products, wood preservatives and other chemicals used in our operations contain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Please avoid contact with wooden utility poles.

More safety information can be found at <http://oag.ca.gov/prop65/chemicals>

Convenient and Secure Bill Payment Options

We know that bill paying isn't everyone's favorite activity, but Liberty Utilities offers options to make it easier while keeping your personal data safe.

- ✓ Starting September 5th, both the Tahoe Vista and South Lake Tahoe offices will open an hour earlier. Each office will now be open from 8 a.m. to 5 p.m. Monday through Friday.
- ✓ To ensure data security, credit and debit card payments must be made through our third-party vendor, Bill Matrix; these payments can no longer be made at a Liberty Utilities office.
- ✓ Customers can choose from numerous payment programs that fit their needs, including when their bill is due, paying at an authorized retailer, or setting up automatic payments.

Visit www.libertyutilities.com and click on "My Account" to find out about these options. Or call our local Customer Care number at **1-800-728-2506**.
