Winter Safety Tips

Be Prepared for Winter Emergencies

Assemble Your Emergency Kit

Store an Emergency Kit in a handy place for the family to access.

Emergency Kit

- Flashlight and extra batteries
- Candles and matches
- Nonperishable snacks
- Transistor radio and batteries
- Emergency heating equipment
- If you use gas, wood or kerosene heaters, be sure to have adequate ventilation.

Additional Safety/Emergency Tips

- Keep a fire extinguisher in the house and teach the family how to use it.
- Leave doors to the refrigerator and freezer closed to keep food fresh.
- When power is restored check all frozen foods to determine the extent of thawing.
- If in doubt throw it out!
- If reporting an outage always keep a copy of your electric bill handy and highlight your premise number.

Liberty Energy's Emergency and Repair Service Call Center is available 24 hours a day, seven days a week.

CONSERVATION CORNER

Are you Ready for Winter?

Use these tips to keep the cold out, the heat in and some cash in your pocket:

indoors outdoors

- Set the thermostat to 68° when at home, 63° when you're away or sleeping at night.
- Caulk the windows, weather strip the doors.
- Install a hot water heater blanket, set the thermostat to 120°.
- Close foundation vents.
- Check for damage & seal up holes from critters & woodpeckers.
- Examine snowmelting heat tapes and set on timers or tempature/moisture control devises.

HOLIDAY LIGHTING SAFETY

Save Money on Lighting Costs When You Decorate with LED Holiday Lights!

Please remember these safety tips when installing all lights:

- Never string more three sets of lights together. This will avoid heating, melting and fires!
- Use outdoor rated lights and extension cords.
- Keep extension cord plugs away from water and sprinklers.
- Use multiple ground fault circuit interrupter (GFCI) protected outlets to avoid overloading a circuit.
- ALWAYS unplug lights before you change a burnt or broken bulb.
- ALWAYS use wooden ladders to avoid electric shock.
- ALWAYS follow the manufacturer's instructions!

SPECIAL HOURS OF OPERATION

Our offices will be closed on

December 26th & January 2nd in observance of the holidays.
