## Save Energy and Money At No Cost To You!

The Energy Savings Assistance Program can help our income-qualified customers reduce their overall energy use and increase the energy efficiency of their home while saving money.

Whether you own or rent your home, the winter cold and summer heat can rob a home of its comfort, and increase energy costs. Weatherizing a home can make a big difference by reducing energy bills while putting money back in your pocket.

Eligible homes may receive energy-saving measures such as ceiling and floor insulation, door weather-stripping, energy-efficient showerheads, storm windows, and more—at no cost to you.

Check out the income eligibility guidelines below and if you qualify, call RHA at **1-866-812-5766** or visit [www.libertyutilities.com/west](http://www.libertyutilities.com/west) and select the “Save Money and Energy” link at the top.

### INCOME GUIDELINES

Effective June 1, 2013 to May 31, 2014
