**Subject: Liberty Utilities (CalPeco Electric) LLC (U 933-E) – Luning Expansion Update**

**Purpose**

Pursuant to Ordering Paragraph (“OP”) 5 of California Public Utilities Commission (“Commission”) Decision (“D.”) 23-08-032, Liberty Utilities (CalPeco Electric) LLC (U 933-E) (“Liberty”) submits this informational **Tier 1** Advice Letter (“AL”).

**Background**

OP 5 of D. 23-08-032, the CPUC ordered:

Liberty Utilities (CalPeco Electric) LLC (Liberty) must file a Tier 1 Advice Letter no later than March 1, 2025, which provides the Commission with a description of the performance of the Luning Expansion Project, the actual cost of the power purchased by Liberty, actual generation of the Luning Expansion Project, and identifies all costs incurred during 2024 which Liberty has, or intends to, seek to recover in rates.

**Information**

Due to Liberty’s strategic decision to focus its resources on wildfire resiliency, the Luning Expansion has been placed on an indefinite hold. This allows Liberty to continue to prioritize the safety and reliability of its system as it addresses the growing risks posed by wildfires.

Liberty remains committed to advancing its renewable energy goals. Liberty is actively exploring various options to comply with the Renewable Portfolio Standard (“RPS”) program and are evaluating potential pathways to meet its long-term sustainability commitments. Further details regarding the approach and progress will be provided in Liberty’s annual RPS procurement plan.

**Effective Date**

Liberty requests that this **Tier 1** advice letter be effective as of March 1, 2025.

**Protests**

Anyone wishing to protest this advice letter may do so by letter sent via U.S. mail, facsimile, or email, any of which must be received no later than March 21, 2025, which is 20 days after the date of this advice letter. There are no restrictions on who may submit a protest, but the protest shall set forth the grounds upon which it is based and shall be submitted expeditiously. Protests should be mailed to:
