

# Liberty Utilities

## WANT TO SAVE MONEY AND ENERGY?

Call to schedule an appointment for the no-cost

### **Liberty Small Business Commercial Upgrade Program**

designed specifically for small businesses. We will install no-cost energy efficient upgrades!

## WHAT TO EXPECT

### **1. APPOINTMENT**

Schedule your no-cost energy assessment at your business location at a time that is convenient for you and complete all required paperwork.

### **2. ENERGY ASSESSMENT**

Contractor will provide you with an overview of the program, conduct an assessment and determine which energy-efficient upgrades you may qualify for.

### **3. PLANNING**

Contractor will review the proposed upgrades and timeline with you so you know what to expect.

### **4. INSTALLATION**

Energy efficient upgrades are installed.

## ELECTRIC NO-COST UPGRADES MAY INCLUDE:

- Interior/Exterior Lighting
- Commercial Kitchen Equipment
- Improve Electric Heating and Cooling
