For our neighbors who may be in need of assistance, Liberty is proud to offer the **Customer Assistance** Program (CAP)

CAP is a low-income rate assistance program that provides a monthly discount of \$10.00 on the water bill to qualifying residential customers.

There are two ways to qualify for CAP:

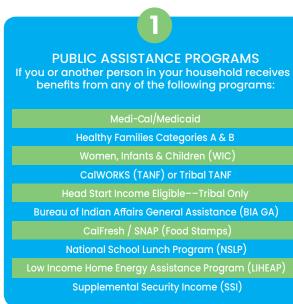

- By participating in another utilities' low-income assistance program (such as CARE from the Southern California Gas Company) or receiving benefits from programs such as Medicare, Medi-Cal and more.
- 2 By providing information that household income meets program guidelines.

Enrolling is quick and easy. Just complete the attached application and return it to our office either in person or by mail.

Contact Customer Service at 800-727-5987 Or visit libertyutilities.com.
