Advice Letter No. 333-W

May 5, 2023

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Liberty Utilities (Liberty Park Water) Corp. (U 314-W) (“Liberty Park Water”) hereby submits the following revised tariff sheets applicable to water service in its service territory.

Summary

Liberty Park Water submits this advice letter to update the eligibility income guidelines in its rate assistance program for low-income customers, also known as the Customer Assistance Program (“CAP”) previously known as the California Alternative Rates for Water (“CARW”) program. The CAP eligibility guidelines are patterned after the guidelines established in the California Alternate Rates for Energy (“CARE”) program for energy utilities. When approved, this filing will increase the eligibility income levels in Liberty Park Water’s CAP program to match the eligibility income guidelines in the energy utilities CARE program.

Background

On October 19, 2006, the California Public Utilities Commission (“Commission”) issued Decision 06-10-036 granting Liberty Park Water authority to establish its CAP program. The CAP program consists of a \$10.00 per month service charge discount for customers who meet income eligibility requirements. The eligibility income guidelines are revised annually by the Commission and are effective each June 1st. On March 22, 2023, the Commission established the 2023/2024 eligibility income guidelines, effective June 1, 2023. This advice letter is being filed to reflect the updated eligibility income guidelines on Liberty Park Water’s CAP tariffs.

Compliance

Liberty Park Water has revised its Form No. 13 to reflect the annual increase to eligibility income. The table below shows the increase to each level of the eligibility income.

Table 1

Maximum Household Income	
Number of Persons in Household	Total Combined Yearly Income
1-2	\$ 39,440
3	\$ 49,720
4	\$ 60,000
5	\$ 70,280
6	\$ 80,560
7	\$ 90,840
8	\$101,120

Add \$10,280 for each additional person
Upper Limit Calculation=200% of Federal Poverty Guidelines.

Tier Designation

Pursuant to D.07-01-024, this advice letter is submitted with Tier 1 designation.

Requested Effective Date

Pursuant to Resolution E-3524 adopted February 19, 1998, Liberty Park Water respectfully requests approval of this advice letter allowing these tariffs to become effective June 1, 2023.

Notice and Service

This advice letter does not seek to increase any rate or charge. Therefore, customer notice is unnecessary. In accordance with General Order 96-B, General Rule 4.3 and 7.2 and Water Industry Rule 4.1, a copy of this advice letter will be mailed or electronically transmitted on May 5, 2023 to competing and adjacent utilities and other utilities or interested parties.

Response or Protest

Anyone may respond to or protest this advice letter. When submitting a response or protest, please include the utility name and advice letter number in the subject line. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;

- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow Staff to properly consider the protest. A response or protest must be made in writing or by electronic mail and must be received by the Division of Water and Audits within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Tariff Unit, Water Division, 3rd Floor
California Public Utilities Commission
505 Van Ness Avenue, Third Floor
San Francisco, CA 94102
water.division@cpuc.ca.gov

On the same date the response or protest is submitted to the Water Division, the respondent or protestant shall send a copy by mail (or e-mail) to us, addressed to:

For our neighbors who may be in need of assistance, Liberty is proud to offer the Customer Assistance Program (CAP)

CAP is a low-income rate assistance program that provides a monthly discount of **\$10.00** on the water bill to qualifying residential customers.

There are two ways to qualify for CAP:

- By participating in another utilities' low-income assistance program (such as CARE from the Southern California Gas Company) or receiving benefits from programs such as Medicare, Medi-Cal and more.
- By providing information that household income meets program guidelines.

Enrolling is quick and easy. Just complete the attached application and return it to our office either in person or by mail.
