

SUMMARY OF LIBERTY CALPECO'S WILDFIRE MITIGATION PLAN CHANGES

Item	Section	Sub-Section Description	Description of Changes Made in Revised WMP
1	Section 1 - Persons responsible for executing WMP	Part 2	Updated table with names
2	Section 2.7 - Mapping recent, modelled, and baseline conditions	Tables 8 and 9	Removed table description
3	Section 3.1 - Recent weather patterns	Table 10	Replaced detailed historic circuit weather patterns with a summary table
4	Section 5.1 Wildfire Mitigation Strategy	Part B	Added narrative
5	Section 5.3.10 - Stakeholder and Community Engagement	5.3.10.2 Cooperation and best practice sharing with agencies outside CA	Added narrative
6	Section 5.3.10 - Stakeholder and Community Engagement	5.3.10.3 Cooperation with suppression agencies	Added narrative
7	Section 5.3.10 - Stakeholder and Community Engagement	5.3.10.4 Forest service and fuel reduction cooperation and joint roadmap	Added narrative
1	Section 5.3.3 - Grid Design and System Hardening	5.3.3.13 - Pole Loading Infrastructure Hardening and Replacement	Summation error for 2020-2022 plan total
2	Section 5.3.3 - Grid Design and System Hardening	5.3.3.18 - Other Corrective Action - Tree Attachment Removal	Summation error for 2020-2022 plan total
3	Section 5.3.3 - Grid Design and System Hardening	5.3.3.9 - Installation of System Automation	Fixed description in comment
4	Section 5.3.3 - Grid Design and System Hardening	5.3.3.12 Other Corrective Actions	Added narrative
5	Section 5.3.3 - Grid Design and System Hardening	5.3.3.18 - Other	Added table and description
6	Section 5.3.4 - Asset Management & Inspections	5.3.4.3 - Improvement of Inspections	Changed forecast spend to whole dollars
7	Section 5.3.4 - Asset Management & Inspections	5.3.4.16 - Intrusive Pole Inspections	Summation error for 2020-2022 plan total
8	Section 5.3.4 - Asset Management & Inspections	5.3.4.13 - Pole Loading Assessment Program	Added narrative and deleted duplicate table
9	Section 5.3.4 - Asset Management & Inspections	5.3.4.14 - QA/QC	Added section reference
10	Section 5.3.5 - Vegetation Management	All Sections	All tables were replaced to be consistent with other WMP tables
11	Section 5.3.5 - Vegetation Management	5.3.5.17 - Substation Inspections	Added section reference
12	Section 5.3.6 - Grid Ops	5.3.6.1 - Automatic Reclosers	Deleted table
13	Section 5.3.7 - Data Governance	5.3.7.1 - Data Governance	Changed forecast spend to whole dollars
14	Section 5.3.7 - Data Governance	5.3.7.2 - Collaborative Research	Changed initiative activity description
15	Section 5.3.9 - Emergency Planning	Question 2	Added narrative for question 2, sub-parts a-h
16	Section 5.3.9 - Emergency Planning	5.3.9.1.a - Workforce Mobilization	Removed table description
17	Section 5.3.9 - Emergency Planning	5.3.9.4 - Disaster and Emergency Plan	Added narrative
18	Section 5.3.9 - Emergency Planning	5.3.9.5 Preparedness and planning for service restoration	Added narrative
19	Section 5.3.9 - Emergency Planning	5.3.9.6 Protocols in place to learn from wildfire events	Added narrative
