

Is this your bill?

Have your budding artists been taking some creative 'liberties' with your bill?

Before hiding the markers, give My Account and Paperless Billing a try.

With My Account, you can:

- Sign up for **Paperless Billing**, which allows you to view and pay your bills securely online without a fee. Skip the postage and mail time and pay your bill with the click of a button.

you can also:

- Choose your account notification preferences – email or text message – and when you want to receive them.
- View your usage with easy-to-read graphs, helping you better control your usage and save on your next bill.

If your latest bill sparkles a bit more than you'd prefer, it might be time to go Paperless. With My Account, your bills stay neat, secure, and (most importantly) off the art table.
