

# WATER CONSERVATION FOR LIBERTY UTILITIES CUSTOMERS

California has a history of off-and-on dry periods, and significant droughts. Therefore, it is important for Californians to be good water stewards. This means we should know the best ways to use our water wisely. Here is what we suggest.

## **SPEAK WITH YOUR WATER CONSERVATION COORDINATOR**

call 562-299-5126 or [conservation@libertyutilities.com](mailto:conservation@libertyutilities.com)

**SCHEDULE A HOME SURVEY.** We understand that every home and family is different. Liberty Utilities will evaluate your home water use to find out the best options that are specific to your needs for free.

## **LIBERTY UTILITIES OFFERS THE FOLLOWING DEVICES UPON REQUEST AT NO-COST.**

KITCHEN FAUCET AERATORS    BATHROOM FAUCET AERATORS    5 MINUTE SHOWER TIMERS    DYE TABLETS FOR LEAKS  
WATER-SAVING SOIL MOISTURE METERS    WATER EFFICIENT HOSE NOZZLES    HOSE TIMERS    DISH SCRAPERS  
TOILET FLAPPERS

**TOILET PROGRAMS.** We offer delivery of up to two (2) Ultra-High Efficiency 0.8 gallons per flush toilets to qualifying homes at no cost. Customer is responsible for installation. For California Alternate Rates for Water (CARW) qualifying customers, we offer delivery *and installation*.

**SO CAL GAS PARTNERSHIP.** We partner with the Southern California Gas Company's Energy Savings Assistance Program to offer customers the latest and greatest in water and energy saving devices. For inquiries, call 1-800-331-7593
