YOU SPOKE. WE LISTENED!

Our customers expect a superior online experience. We're proud to introduce our California water customers to www.libertyutilities.com. This easy-to-navigate website is your **NEW** destination for all of your water utility information, including billing and payment options and conservation tips.

What's New...

You will notice the site is easier to navigate and more intuitive than ever before. The **NEW My Account** area has been redeveloped - integrating important billing and account information. Payment methods have been redefined and now you can view your personal account balance, payment history, and make updates to your account profile when it's convenient for you.

Getting Started...

On your first visit to the www.libertyutilities.com site, simply select Home or Business as it applies to your service address. Next, select your State and Community from the pull-down menu and press "Enter". This leads you directly to your new home page.
