

Talent and Professional Care

Liberty Utilities' dedicated team of water professionals in Apple Valley is united by a commitment to the community and passion to be the region's best water provider. Our talented employees are the lifeblood of Liberty Utilities, and their hard work is paramount to the delivery of safe water and reliable service that our customers have come to expect.

Liberty Utilities employees are experts at what they do. Together, our team of 40 water professionals has earned a combined 49 state certifications for water distribution and treatment. Individually, all local employees meet or exceed the required state certification for their positions, and many go above and beyond to elevate their expertise and how they serve customers.

At Liberty Utilities, we celebrate our team's expertise and local knowledge, because we know that's what sets us apart. We love what we do, and we take great pride in serving our family, friends and neighbors in Apple Valley, so they don't ever have to think twice about their water quality or service.
